

May 2021

Dear Colleagues,

EMN National Contact Points and the European Commission use ad-hoc queries to collect information from Member States and Norway in a relatively short time on a wide range of asylum- and migration-related issues, e.g. legal migration, irregular migration, borders, return, visas etc. The EMN produces compilations of the responses to ad-hoc queries, which rapidly assess the perspective of responding Member States and Norway in relation to a specific topic.

The following Ad-hoc queries launched in February - March 2021 have been published on the EMN [website](#)

- [2021.10 Unaccompanied minors - age assessment methods used by Member States](#)
- [2021.12 Situation and profile of unaccompanied minors from Afghanistan Part I](#)
- [2021.13 Situation and profile of unaccompanied minors from Afghanistan Part II](#)

Best Regards,
Adolfo (Ad-Hoc Query Co-Chair) & Jolandie (Network Coordinator)
